Hey Rob,

Thanks for reaching out. We had quite a few residents come to our Council meeting tonight and share some concerns. It's difficult to break them down into specific questions we can answer, but I can discuss it in greater detail tomorrow. We will have some questions coming from one group. I believe you're already aware of [Ex. 6 Personal Privacy (PP)] neighborhood, I think they may need a little extra attention as well.

There's another resident, [Ex. 6 Personal Privacy (PP)] on [Ex. 6 Personal Privacy (PP)] that has also sustained significant damage from the sounds of it. I'm not sure if you will be around after 2:30 p.m. and have time to speak with him as well. I can tag along too.

Let me know a time you may be free and I can speak with you on the phone as well.

Thanks,

Brent Bader

Subject: FW: La Salle Chemical Plant Fire - Site Visit 1/24/2023

Hello Brent,

EPA and Illinois EPA will be visiting the Site tomorrow around 10:00 am. Wanted to give you a heads up incase you'd like the Cities consultant (Brownfields?) to come along. Also if you'd like to meet to go over anything I'll be in town and came meet up with you.

Thanks,
Rob

Hey Rob –

Yes, I am available. Give me a call when you arrive and I will meet you. For anyone touring – if they would please be prepared with boots, hard hat, and safety glasses I would sincerely appreciate it! I have PPE available if needed.

See you then.

Joe McNamara

EHSS Manager

Hello Joe,

I'd like to get eyes on the Site tomorrow (1/24) at 10:00 am. Would you or another Carus representative be able to provide a tour of the Site at that time? At this point it would be me and fellow OSC Colin and possible Illinois EPA, if Eric is available.

Thanks,

Rob
